DRAGON BOATING

NEW

Pathways **DRAGON BOATING TEAM.**

All fitness levels welcome.

For female cancer survivors & supporters.

What is **DRAGON BOATING?**

An ancient Chinese ritual, dragon boating symbolizes the human struggle with nature and deadly enemies. It is believed that with a dragon at the helm, participants gain strength and vitality and avoid misfortune.

This symbolism resonates with many breast cancer survivors who have formed teams all over the world.

Pathways

a program of

79 Maple Street
Summit, NJ 07901

The Pathways **DRAGON BOATING** team
Save Our Sisters (SOS) is coached by Ellen Law and
